

AVAILABLE (Continued)

three foulest words in the English language -- namely -- Evil Eye Fleagle!

BULLMOOSE

Evil Eye Fleagle? What's he like?

AVAILABLE

Picture the warm friendliness of a rattelsnake. Picture five-feet-four of menacing manhood. Picture a hat covering a face of sinister rapacity. Picture tow eyes --

(Pointing fingers through phony  
eyeglass frames HE's wearing)

peering out with supernatural powers of malevolent intent!

FLEAGLE

(Entering R1)

Someone call me?

(AVAILABLE and PHOGBOUND step  
upstage. With a broad gesture,  
AVAILABLE greets FLEAGLE)

AVAILABLE

Sashay over here and meet the General.

(FLEAGLE Xes to L of APPASSIONATA,  
bends up and down giving HER the  
careful eye, then goes R in front  
of BULLMOOSE, spins around and takes  
out HIS green card matching HIS  
entire green outfit, and hands it  
to BULLMOOSE. BULLMOOSE and  
APPASSIONATA carefully read card)

BULLMOOSE

You actually paralyze with your eyes?

FLEAGLE

It is known in paralyzin' circles as Fleagle's Famous,  
Fabulous, Fracturizin' Whammy!

BULLMOOSE

Can you put this Whammy on Abner Yokum long enough for Miss  
Von Climax to catch him this afternoon?

FLEAGLE

Naturally.

(Xing between BULLMOOSE and  
APPASSIONATA. Dramatically)

Get the picture! Sadie Hawkins Day begins. Gun goes off,  
bachelors running, maidens pursuing! Yokum comes dashin' by!  
I jumps up and down, rotates my eye-balls, rears back and lets

FLEAGLE (Continued)  
 fly with a TRIPLE WHAMMY which hits the fleein' Yokum smack in  
 the back!

OTHERS

What happens?

FLEAGLE

His bone marrow freezes, his pancreas petrifies and all his  
 red corpuscles and his white corpuscles suddenly stand stock  
 still and stupidly stare at each other! ... Whereupon who  
 dashes up and claims the body but this supoible stacked young  
 lady!

APPASSIONATA

Is he dead?

FLEAGLE

With Yokum you can't always tell!

BULLMOOSE

You guarantee he'll thaw out?

FLEAGLE

Absolutely.

BULLMOOSE

Fleagle, you deliver Yokum and you got a job with me for life.

FLEAGLE

At your service.

(HE turns left, bends up and  
 down, giving APPASSIONATA the  
 careful eye again, then Xes R  
 below BULLMOOSE, stops, turns  
 around, grabs back his calling  
 card and exits R1, followed by  
 PHOGBOUND and AVAILABLE JONES)

BULLMOOSE

(Offering HIS arm to  
 APPASSIONATA, delighted)

I have confidence in that little fellow - he's the same color  
 as money! ...

. (THEY exit R1)
